

Safe Net Government Solutions, LLC (SGS) Changing to Raytheon Secure Information Systems, LLC

Effective **December 12, 2012** **Safe Net Government Solutions, LLC (SGS)** changed as follows: **Raytheon Secure Information Systems, LLC**. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying **Safe Net Government Solutions, LLC (SGS)** will not require an amendment to reflect the change to **Raytheon Secure Information Systems, LLC**. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying **Safe Net Government Solutions, LLC (SGS)** as a party to the license on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **February 1, 2013**, identifying **Safe Net Government Solutions, LLC (SGS)** as a party to the license on the license may be returned without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

All currently approved agreements held by a third-party will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such.

Pending agreement applications will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
